7-Year Extended	\$11,006	8.5%	\$229,534
10-Year Long Term	\$8,993	9.5%	\$384,176

RECOMMENDED: 5-Year Standard offers optimal balance of monthly payment and total interest cost.

CONDITION ASSESSMENT

ENHANCED MILEAGE ANALYSIS

Mileage Score: 8/10 points (64,000 miles - Good for age)

Mileage Benchmarks:

- ≤50,000 miles: Excellent (10/10)
- ≤100,000 miles: Good (8/10) ← **Your crane**
- ≤150,000 miles: Fair (6/10)
- ≤200,000 miles: High mileage (4/10)

Hours Analysis

Hours Score: 10/15 points (9,000 hours - Good for age)

Hours Assessment:

- Total: 9,000 hours
- Annual Average: ~818 hours (reasonable usage)
- Condition: Good for 11-year-old crane

Age Factor

Age Score: 8/25 points (11 years old)

- Standard age scoring without trend multiplier
 - Liebherr build quality supports extended service life
-

INVESTMENT ANALYSIS

PROFIT SCENARIOS

IMMEDIATE WHOLESALE FLIP

- **Wholesale Value Range:** 840,000—945,000
- **Acquisition Cost:** \$695,000
- **Gross Profit Potential:** 145,000—250,000
- **Timeline:** 30-60 days
- **Risk Level:** Low

RETAIL SALE STRATEGY

- **Retail Value Range:** 1,050,000—1,150,000
- **Acquisition Cost:** \$695,000
- **Gross Profit Potential:** 355,000—455,000
- **Timeline:** 3-6 months
- **Risk Level:** Moderate

HOLD & OPERATE

- **Rental Income Potential:** 6,000—9,000/month
 - **Annual Revenue:** 72,000—108,000
 - **ROI on Investment:** 10-15% annually
 - **Risk Level:** Low-Moderate
-

RISK ASSESSMENT

LOW RISK FACTORS

- **Significant margin of safety** (33.8% below comparable)
- **Premium Liebherr brand** with strong resale value
- **Reasonable hours and mileage** for age
- **Multiple exit strategies** available
- **Actual comparable sale** validates market pricing

MODERATE RISK FACTORS

- **Age consideration** (11 years old)
- **General market segment** (no specific growth trends)
- **Market timing** for optimal resale

MITIGATION STRATEGIES

- **Thorough inspection** recommended before finalization
- **Service history review** to validate condition
- **Market timing** optimization for resale

RECOMMENDATIONS

PRIMARY RECOMMENDATION

PROCEED WITH ACQUISITION - This represents a solid investment opportunity with realistic profit scenarios and strong downside protection based on actual market comparables.

ACTION ITEMS

1. **Complete thorough inspection** focusing on:

- Hydraulic systems
- Structural integrity
- Engine condition
- Boom and jib condition

2. **Verify service history** and maintenance records

3. **Secure financing** using 5-Year Standard option (\$13,926/month)

4. **Develop exit strategy** based on market timing and business needs

FINANCIAL PROJECTIONS

- **Minimum Expected Return:** \$145,000 (wholesale flip)
 - **Target Return:** 355,000—455,000 (retail sale)
 - **Hold Strategy:** 72,000—108,000 annual rental income
-

ACCURATE VALUATION METHODOLOGY

COMPARABLE SALE VERIFICATION

- **Actual Sale:** Liebherr LTM1100-4.2 for \$1,050,000 (Sept 2022)
- **Buyer:** CK Crane Service
- **Market Context:** Recent transaction in similar condition
- **Validation:** Confirmed from historical sales database

VALUATION BASIS

- **Primary Comparable:** \$1,050,000 (verified transaction)

- **Market Position:** 33.8% below comparable
 - **Condition Adjustment:** Hours and mileage factored appropriately
 - **Brand Premium:** Liebherr quality recognition included
-

MARKET CONTEXT

ALL-TERRAIN CRANE MARKET

- **Segment:** 100-ton class All-Terrain cranes
- **Competition:** Grove GMK, Tadano ATF series
- **Market Demand:** Steady for infrastructure projects
- **Resale Value:** Strong due to Liebherr reputation

PRICING TRENDS

- **Recent Sales:** \$1,050,000 comparable validates pricing
 - **Market Range:** 850,000—1,200,000 for similar units
 - **Your Position:** Lower quartile pricing with upside potential
